— to me

— Dear Sir,

— This mail is to seek your permission to allow us to organize a webinar on a unique and innovative technique of meditation developed by Shri Mtataji Nirmala Devi, to help strike a mental, physical and spiritual balance that will help the students not just to reduce the tremendous level of stress that they go through in their endeavor to success but also enable them to enhance their concentration and attention. Furthermore, this will help the students to build self-confidence along with a healthy body which has always been our motto- a healthy mind that resides in a healthy body.

— We would be highly obliged if we get the permission to go ahead with our programme which is absolutely free of cost. Looking forward to a great session ahead.

— Yours sincerely,
