Programme Report :-

On 18.4.22 a Departmental Educational Tour was Organized by the dept of Education of Vivekananda college Alipurduar. This Educational Tour is in the Honours Syllabus of 6th Sem of Educational Department with 38 Students going to Bangladesh - India Border 'Tin Bigha Corridor' West Bengal and 'Joyee Bridge' the longest Bridge in the West Bengal. This Educational Tour is an interesting and motivating for Students feature. Achieved 1978 Indira Gandhi - Shek Mujibar Rahman argument was drawn from India and Bangladesh all over the Tin Bigha Corridor. India certainly could not hand over the Tin Bigha Corridor to Bangladesh requiring constitutional amendment which were not possible due to political reason. In 2011 after much protest it leased the Tin Bigha Corridor to Bangladesh for a fixed period. Students get a knowledge of this historical, political geographical aspect. Students have seen the Joyee Bridge the longest Bridge in West Bengal. In this form of educational Tour Students develop psychologically. While acquiring curricular knowledge, 36 Students provide basic education. Head of department Retina Roy with other teacher Prosenjit Roy, Soustar Pal, Shubhankar Pal they also guide this Educational Tour.
