

VIVEKANANDA COLLEGE
ALIPURDUAR
NOTICE

DATE:- 18.06.2026

Some casual students of FYUGP 2023–24 and FYUGP 2024–25 who remained absent in the Practical Examinations during their previous appearance had obtained marks only in the Theoretical Papers. Ordinarily, such students would be required to appear only in the Practical Examinations.

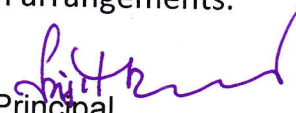

However, considering the concerns of the students and the fact that, in several cases, the marks already secured in the Theoretical Papers may not be sufficient to enable them to pass solely through their performance in the Practical Examinations, (i.e., 40% including theory, CE & practical taken together) the admit cards have been generated with provision for appearing in both Theoretical and Practical Papers.

Students who are satisfied with their previously obtained Theory marks and wish to appear only in the Practical Examinations may do so. In such cases, the students are directed to submit the semester, name, registration number & course to the College at the earliest may be before the admit cards are uploaded.

The Students are directed to clearly indicate, well in advance, whether each concerned candidate intends to appear:

1. Only in the Practical Examination; or
2. In both the Theoretical and Practical Examinations.

This information is required for making the necessary examination arrangements.
