"Announcement"

India Space Lab: Winter Internship & Technical Training Program

भारत अंतरिक्ष प्रयोगशाला: शीतकालीन इंटरनशिप एवं तकनीकी प्रशिक्षण कार्यक्रम

We encourage you to read more about the **Hon'ble Prime Minister's** thoughts on India's remarkable space journey in his Mann Ki Baat program in August 2024, where he shared his thoughts on India Space Week and its significance and appreciated its contribution.

Following the notice issued on December 8, 2023, regarding the online meeting on "Viksit Bharat @2047: Voice of Youth," referenced as F.1-1/2023(secy/ViksitBharat@2047), we are pleased to announce that the Prime Minister has launched "Viksit Bharat @2047" on December 11, 2023.

The Government of India, under the visionary leadership of Hon'ble PM Shri Narendra Modi, has initiated groundbreaking reforms in the space sector. These reforms aim to promote and advance space education, research, and development in our country. Following the successful of India Space Week & National Space Day event held in August, 2024 and an Advanced Drone workshop /Internship Technical Training Programme /Cyber Security Awareness Program/Astronomy and Astrophysics/Space Entrepreneurship/ Distaster management/ conducted across universities and official Departments.

In continuation, The India Space Lab has launched a Winter internship technical training program - 2025 for all (Space Education & Employment).

“Public Announcement”

India Space Lab: Winter Internship & Technical Training Program-2025

भारत अंतरिक्ष प्रयोगशाला: शीतकालीन इंटरनशिप एवं तकनीकी प्रशिक्षण कार्यक्रम

To,

All Technical Institutions, Students, Teachers, Faculty and Research scholars.

We are pleased to announce an important update regarding the Winter Internship Program. The primary aim of this winter internship is to enhance space education and analyse routes for technological advancement.

We kindly request all institutions to disseminate this information widely among their students.

We are pleased to invite all students and research scholars to participate in the winter internship program.

India's space lab has implemented various nationwide initiatives to promote space science and provide grassroots opportunities to the public.
