Action Taken Report (ATR) for the session 2023-2024

Suggestions	Action taken
1. Infrastructure for online based class	1. We installed more computers along with better wifi internet facilities which is quite helpful for taking the classes.
2. Recruitment of teachers	2. The institution authority has already started sending requisitions to the government higher education office, hopefully the govt. will soon approve new posts
3. Effective learning through the development of the physics and chemistry laboratory	3. The college has already procured grant from the government and has bought all the required laboratory equipment and chemicals
4. E-library facility for all students and teaching staff along with user friendly website	4. Authority has installed OPAC and the library is now fully automated and the website is also upgraded
5. Improve drinking water system	5. The institution facilitated the entire college campus with four water purifiers (RO) and two cooler machines as well as deep tube well for the staffs and students.
6. Proper sanitization system throughout the campus	6. Authority has already been installed automated sanitizer machine and pad vending machine for all the students and staffs
7. Reference book in the library should be increased	7. The college authority has already purchased many books and updated reference books for the students and teachers as per the requirement of NEP syllabus.
8. Purchase of new sports equipment for upgradation	8. The authority has already bought some sports equipment as per requirement of the students.
9. Provide soft skill development training for the students	9. One month Karate course is organised by the women's cell of the institution for the better skill development of the students with increase in job opportunity
10. Proposed to increase more collaborations	10. The college has already done two more collaborations with two NGOs Nanda Devi Foundation and Pratham foundation
11. Proposed to increase more solar panel	11. The Institution has already sent the proposal to the government and it is under process
12. Introducing add on courses	12. Each department is trying hard to organize Add on courses and the history department has already done one
13. Proposal for new conference room	13. We have already sent the proposal to the higher

14. Proposal for special lecture, alumni lecture, students' seminar, experiential learning tours, faculty exchange, memorial lectures and seminars are given to all the departments	education department, West Bengal. 14. All the departments have successfully conducted everything for the continuous evaluation of the students.
15. The IQAC has also motivated to participate in the NIRF and preparation for the AISHE documentation	15. The participation is already done from the end of the college
